A Heavyweight Inventory

LKQ Pintendre Trucks has an **impressive inventory** of ready-to-install bodywork, mechanical and aesthetic parts. Our inventory includes used, verified, rebuilt and new parts from renowned brands such as Kenworth, International, Mack, Freightliner and Volvo. We also have motors from Caterpillar, Detroit, Cummins, etc.

An **one-stop shop** for all your needs... to satisfy even the most demanding drivers!

LKQ Pintendre Trucks

Tracks Down the Best Deals for You!

Depending on the model of truck and the specific needs of your business, our team can find a vehicle or a whole fleet thanks to our network of industry contacts distributed throughout North America.

We take care of finding, inspecting, preparing and even shipping the truck or trucks that meet your specifications.

Service that Holds the Road!

LKQ Camions Pintendre offers customers the services of its **expert mechanics**. Our professionals are specialized in verifying and reconditioning transmissions and differentials and in verifying and certifying the quality of motors.

Traceability and a Five-Star Guarantee!

Every one of our **bodywork parts** in inventory is **clearly identified** with the vehicle model and year from which it was salvaged. This helps us verify the genuine origin of all our parts.

At LKQ Pintendre Trucks, everything we sell is rigorously tested. We offer only the best quality parts and vehicles and guarantee the best service in the industry. With us, you are sure to get the parts you need, without surprises; one more reason why we are one of the best in the business.
